

SABARI BALAN GANESAN

Boston, MA | +1-857-344-6596 | ganesan.sab@northeastern.edu | linkedin.com/in/sabaribalan1710

PROFESSIONAL SUMMARY

Aerospace project lead with 13 months of experience coordinating cross-functional teams of engineers, technicians, interns, and remote pilots through full UAV flight test campaigns. DGCA-certified remote pilot and Google Project Management Certified. Currently pursuing MS in Engineering Management at Northeastern University. Seeking project, program, or product management opportunities in aerospace, UAV, and autonomous systems.

EDUCATION

Northeastern University, Boston, MA

Expected May 2028

Master of Science in Engineering Management

Relevant Coursework: Engineering Project Management, Operations Research, Probability & Statistics

KCG College of Technology (Anna University), Chennai, India

June 2024

Bachelor of Engineering in Aerospace Engineering – CGPA: 7.41

CORE COMPETENCIES

Program & Project Management: End-to-end project lifecycle, cross-functional team coordination, risk assessment, stakeholder management, schedule & budget tracking, Gantt scheduling, technical design reviews

Aerospace & Flight Operations: Flight systems integration, UAV operations and mission planning, high-altitude systems testing, DGCA-certified remote pilot (small-category UAS)

Process & Quality: Workflow optimization, process documentation, quality assurance, compliance reporting, standardized template development

Tools & Platforms: MS Project, Zoho Projects, MS Excel, MATLAB, SolidWorks, MS Office Suite, Google Workspace

PROFESSIONAL EXPERIENCE

Dashagriv Aerospace Technology Pvt. Ltd., Chennai, India

Oct 2024 – Nov 2025

Project Lead – Flight Systems Engineer & Remote Pilot

- Led a cross-functional team of engineers, technicians, interns, and remote pilots through full project lifecycle from concept through flight testing, delivering milestones on schedule and within budget.
- Managed project schedules, resource allocation, and risk registers using MS Project and Zoho Projects, improving on-time delivery across project milestones.
- Directed high-altitude flight systems integration and testing campaigns, coordinating across propulsion, avionics, and ground control sub-teams.
- Conducted formal risk assessments and technical design reviews, identifying and mitigating critical path issues before they impacted timelines.
- Authored technical reports, test documentation, and compliance records, and developed standardized templates adopted across the organization.

FarmXT Innovative, Salem, India

Sep 2024 – Oct 2024

Trainee Drone Pilot

- Executed UAV mission planning and field operations for agricultural applications, optimizing flight parameters for precision spraying.
- Analyzed flight performance data and documented operational metrics to support continuous improvement of mission workflows.

Air India Engineering Services Ltd., Trivandrum, India

Sep 2023 – Oct 2023

Aircraft Maintenance Intern

- Supported aircraft maintenance operations including NDT inspections and component overhaul, adhering to strict aviation safety and quality standards.
- Managed equipment inventory and maintenance documentation in a high-volume MRO environment.

LEADERSHIP EXPERIENCE

Technical Coordinator, KCG Space Technology Center, Chennai, India

Jan 2025 – Nov 2025

- Served as the primary liaison between Dashagriv Aerospace and the KCG Space Technology Center, coordinating a student training program in satellite development across faculty, industry mentors, and student teams.
- Managed facility scheduling, resource allocation, and equipment logistics for the center's day-to-day operations.

PRO Head, Rotaract Club of KCG College of Technology, Chennai, India

May 2023 – Apr 2024

- Supported external communications and contributed to organizing technical workshops and outreach events serving 100+ participants.

CERTIFICATIONS

Google Project Management Professional Certificate | DGCA Remote Pilot Certificate (Small-Category UAS)

Fundamentals of Flight Mechanics Specialization – ISAE-SUPAERO | Advanced Drone Innovations – TiHAN, IIT Hyderabad

Foundations of Business Learning – Northeastern University | Graduate Leadership Institute – Northeastern University
